INTRODUCTION

The Rural Opportunity Zone Program facilitates the population growth of rural Kansas communities in 50 designated counties through the use of tax relief and student loan reimbursement. Under this program, qualified individuals could be eligible to receive Kansas state income tax abatements and student loan reimbursements provided by both the county and state on a matched basis.

The Director of the Rural Development Division of the Kansas Department of Commerce is responsible for the program. The Director establishes criteria, subject to the provisions of the statute, to determine eligibility of resident individuals.

HOW DOES IT WORK?

The Kansas Legislature has designated 50 counties as Rural Opportunity Zones which means individuals who move into the county could be eligible for tax credit abatements and student loan reimbursements. The tax and student loan benefits are mutually exclusive; eligibility for one does not guarantee eligibility for the other.

Income Tax Abatements: Qualified individuals will receive a credit for the entirety of their Kansas State income tax liability for any year in which they qualify (see below) beginning in taxable year 2012 and ending in taxable year 2017.

Describe Student Loan benefits: Qualified individuals will receive student loan payments in equal shares over a maximum term of 5 years. The annual payments will be equal to 20% of the individual's outstanding student loan balance up to a maximum of \$15,000.

WHO QUALIFIES FOR INCOME TAX ABATEMENTS

In order to qualify for Kansas state income tax abatements a resident individual must satisfy the following conditions:

- 1. Establish residency in a Rural Opportunity Zone county on or after July 1, 2011 and prior to January 1, 2016 after having lived outside the State of Kansas for 5 or more years immediately prior to establishing residency in the Rural Opportunity Zone County.
- 2. Earned less than \$10,000 in Kansas source income in each of the 5 years immediately prior to establishing residency in a Rural Opportunity Zone County.
- 3. Maintain residence in the Rural Opportunity Zone County for the entire taxable year for which the tax credit is claimed.

WHO QUALIFIES FOR STUDENT LOAN REIMBURSEMENTS?

In order to qualify for student loan reimbursements a resident individual must satisfy the following conditions:

- Establish residency in a Rural Opportunity Zone county on or after July 1, 2011 and on or after
 the date on which the Rural Opportunity Zone County opts to participate in the Student Loan
 Assistance component of the Rural Opportunity Zone program. Not all Rural Opportunity Zone
 Counties currently participate in the Student Loan Repayment program. For a complete list of
 participating counties please visit the ROZs page at www.kansascommerce.com.
- 2. Individual must have obtained an associates, bachelors, or post-graduate degree prior to establishing residency and applying for student loan assistance eligibility.
- 3. Individual must have a current outstanding student loan balance.

STUDENT LOAN ASSISTANCE PAYMENT PROCEDURE

The student loan payments will be paid on an annual basis. Rural Opportunity Zone Counties will provide 50% of the student loan payment with the State of Kansas providing the remaining 50% match. All student loan payments will be made directly to the appropriate lending institutions as provided in the qualified resident individual's eligibility application. (See Attachment A for payment procedure flow chart)

The individual will continue to make regular payments as required by their agreement with their respective lending institution. In the event that an individual pays the entirety of their outstanding student loan balance prior to receiving payment through the Rural Opportunity Zone program, the payment will be made to the individual.
